Subject: Request for a Copy of My Recent Statement

Dear Inspector Daly,

I hope this message finds you well.

I'm getting some legal advice at the moment regarding the statement I gave you most recently about the abuse I suffered during my youth. As part of that process, the solicitor I've spoken with has requested a copy of that statement to review. They'll be using it to assess whether there may be grounds for a potential case against the State.

If it's at all possible to obtain a copy of the statement I gave to you, I would be very grateful. I understand there may be formal steps or protocols involved, and I'm happy to follow whatever process is required.

Thanks again for everything you've done so far—I really do appreciate it.  
Wishing you all the best.

Kind regards,  
Steven Condra
